

Event: *"Forever Better with Miele"* fashion show by Redress

Date & Time: 16 June 2011 (Thursday) 7pm

Venue: Watermark, Pier 7, Central , Hong Kong

Abstract:

The show features 15 Hong Kong designers' reconstructed collections using second-hand clothing, much of it sourced from used clothing banks. Following the show, the reconstructed pieces will be moved to Harvey Nichols. On the same night, Redress is also launching its 'GET REDRESSED' exhibition, which includes a 6m high 'mountain' of second-hand clothes. They are already as amazed by the 'mountain' as you will be (not least because they still need to build it...!)

Design of front stage, backstage and lighting effect of the show
